SUPPOSED CAUSE : Due to Flood/Inundation

NATURE AND EXTENT OF DAMAGE :

We carried out the survey on 27th September 2019, after the water level in the insured premises had receded. The insured is running Schools, Colleges, Educational and Research Institutes and imparting training in various crafts in Pune. It was informed that due to heavy rainfall on 25th September 2019, Insured' Property- (Named as "**Sanskriti School, Undri, Pune**") was flooded. The surrounding premises was also flooded due to continuous heavy rain. The flooded water entered in to the school campus. During inspection of the site the water inundation level was measured at various places. The water level inside the premises was around 3 ft. -3.5 ft. Compound wall was found collapsed and Security gate was found damaged. FFF, stock of uniform dresses, sport material, IT material were found affected due to mud water.
